

REMARKS

Notice of Allowability

Claim 31 has been amended. Claims 2-8, 11-19, 31, 32, 34-35, 54, 58-61 and 63-71 have been allowed.

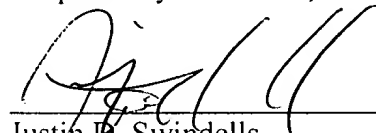

Only claim 31 has been amended to correct a typographical error concerning the term "said second of said sides." Since there was no antecedent reference to "second of said sides," claim 31 has been amended to clarify that which side is being referred to. No new matter is introduced, and no new search would be required as a result of the amendment. During the correspondence between Applicants and the Examiner to obtain an allowable claim set, the typographical error was overlooked until now. The amendment does not render the claim unpatentable.

Accordingly, Applicants kindly request that the Examiner enter the proposed amendment, which places claim 31 is condition for issuance. If there are any questions that could be clarified by telephone, the Examiner is urged to contact the undersigned at the number below.

It is believed that entering this amendment does not require further search or consideration, and no new matter is presented.

Date: December 5, 2006

Respectfully submitted,
